

# ICMCR 2024

February 27-29, 2024  
Jeju, South Korea  
[www.icmcr.org](http://www.icmcr.org)

2024 2nd International Conference on Mechatronics, Control and Robotics will be held in Jeju National University, South Korea during February 27-29, 2024. It aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government who are working in the field of mechatronics, control and robotics to discourse on research and development, professional practice in related fields.

ICMCR 2024 hopes to attract papers related to the latest implementation of applications, principles, and algorithms in the broad area of mechanical engineering, including but not limited to control, automation, and robotics.

## Publication

Papers submitted to ICMCR 2024 will be peer reviewed by the international program committees. Accepted papers will be published in **conference proceedings**, and submitted to major databases like **EI Compendex**, **Scopus**, etc for indexing. A few selected papers will be recommended to:

**International Journal of Mechanical Engineering and Robotics Research (ISSN: 2278-0149)**

indexed by **Scopus**, CNKI, Google Scholar, Crossref, etc.

## Venue

Ara Convention Hall | Jeju National University (Jeju, Korea)  
Address: 102 Jejudaehak-ro, Jeju-si, Jeju Special Self-Governing Province, 63243, Republic of Korea  
Tel (+82 64) 754 2114; Fax (+82 64) 755 6130  
<http://jnuic.jejunu.ac.kr/board/view.php?pageID=3>

## Contact

Conference Secretary: Sia Liu  
E-mail: [icmcr\\_conf@outlook.com](mailto:icmcr_conf@outlook.com)  
Tel:+86-15390440716

## Co-sponsors

## Host

## Patrons

## Call For Papers

Topics of interest for submission include, but are not limited to:

- Genetic Algorithms
- Fuzzy Control
- Machine Learning in Control Applications
- Knowledge-based Systems Applications
- Distributed Control Systems
- Evolutionary Computation and Control
- Neural Networks based Control Systems
- Advanced Manufacturing
- Advanced Motion Control
- Artificial Intelligence and Intelligent Control
- System Integration
- Micro/Nano Mechatronics
- Vibration and Noise Control
- Mechatronics in Energy Systems
- Modelling and Design
- Human-Machine Interface
- Mechatronics in Tertiary Education

## Submission

**Full Paper Submission:**

<https://www.zmeeting.org/submission/icmcr2024>

Full Paper Template:

The template is available [HERE](#).

**Abstract Submission:**

[icmcr\\_conf@outlook.com](mailto:icmcr_conf@outlook.com)

Abstract Template:

The template is available [HERE](#).

Each registration covers 5 pages. Extra page(s) will be charged at 50 USD per page.

## Important Dates

- Full Paper Submission Deadline: October 5, 2023
- Acceptance Notification Date: October 30, 2023
- Authors' Registration Deadline: November 15, 2023
- Conference Date: February 27-29, 2024
